Dow employees or retirees should be aware of a special program, currently offered by Dow and the Ring of Honor Committee. A Dow retiree or employee who makes a donation of \$100.00 or more can - upon request - receive a commemorative granite tile plaque. This is in addition to Dow matching their donation dollar for dollar. Donors who would like to receive the plaque should make their donations directly to the Veteran Service Office at 451 N. Velasco, Suite 120, Angleton, TX, 77515. This offer is in effect until December 31, 2009 or when the Dow matching fund limit (\$10,000) has been reached. Once again, the Ring of Honor Committee thanks Dow, its employees, and its retirees for standing behind the Ring of Honor mission.
